MANAGEMENT DISCUSSION AND ANALYSIS REPORT

**[Pursuant to Regulation 34 (2) (e) of Securities Exchange Board of India
(Listing Obligations and Disclosure Requirements) Regulations, 2015]**

(A) Business Overview:**Review of Operations:**

Your directors wish to present the details of Business operations done during the year under review:

During the year under review your company reported growth in revenue from operations of 90.99% over the previous year. The Revenue from operations stood at Rs. 2258.54 lakhs compared with Rs.1182.53 lakhs in the previous year. The operations resulted in Net Profit of Rs. 12.17 lakhs against previous year net loss of Rs. 214.41 lakhs. The repeated waves of Covid-19, had a severe impact on the world supply chain, which extended its disruptions to rising energy prices and even rising inflation levels. The challenges posed upon the global economy urged for structural reforms and thereon, in order to overcome this situation, we have taken all measures to optimize our cash flows to sustain the situation

Your directors are hopeful of better results with increase turnover in the coming years.

INDUSTRY STRUCTURE AND DEVELOPMENTS**AUTO COMPONENTS INDUSTRY IN INDIA IN THE YEAR 2021-22**

India is unlikely to achieve a growth rate of 8-8.5% in FY23, due to the impact of Russia-Ukraine conflict, aggressive FED rate hike cycle and China + global growth slowdown, but a 7-7.5% real GDP growth will still be a decent outcome under the circumstances. The bigger priority now is to reduce inflation, so that the ongoing growth recovery can be sustained on a durable basis.

From a slightly positive perspective, India remains relatively less vulnerable to global external shocks compared with the other open market emerging economies, which should help cushion downside growth risks. Fortunately, the impact of the third Covid-19 wave has also proven to be limited, with mobility improving back to pre-pandemic levels swiftly.

The overall automobile production volumes in FY22 marginally grew by +1% YoY, marred by several headwinds like supply chain bottlenecks and semi-conductor shortages. The impact caused by the successive waves of the pandemic and the consequent lockdown restrictions by various states across the country adversely affected the rural as well as the urban markets.

After achieving its peak in FY19, the domestic auto industry has seen two years of decline up to FY21, before recovering in FY22, over a very low base.

Risks and Concerns:**RISKS:****Financial Risk Management:**

The Company's activities expose to a variety of financial risks viz., market risk, credit risk and liquidity risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The primary market risk to the Company is credit risk and liquidity risk.

Management of Market Risk:

Market risks comprises of Price risk and Interest rate risk. The Company does not designate any fixed rate financial assets as fair value through Profit and Loss nor at fair value through OCI. Therefore, the Company is not exposed to any interest rate risk. Similarly, the Company does not have any Financial Instrument which is exposed to change in price.

Foreign Currency Risks:

The Company is exposed to foreign exchange risk arising currency exposure primarily with respect to the US Dollars (USD) for exports being made by the company and the details of the same have been given in notes forming part of financial statements.

Credit Risk:

Credit risk is the risk of financial loss to the Company if a customer fails to meet its contractual obligations. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables. The company operations

are with parent companies and hence no issues credit worthiness. The company considers that, all the financial assets that are not impaired and past due as on each reporting dates under review are considered credit worthy.

RISK MITIGATION:

The Company has appropriate risk management system in place for identification and assessment of risks, measures to mitigate them, and mechanisms for their proper and timely monitoring and reporting.

(B) Opportunities And Threats:**Opportunities:**

The Company is carrying on the business of manufacturing of auto components such as Cylinder Heads, Crankcases for Three Wheelers, Aluminium parts for CAC tanks, Aluminium Parts in Electrical Segments such as Connectors, Core boxes etc.

As reported earlier we have given Nickel Silicon Coated Electro Plated Cylinder blocks for trials for two wheeler manufacturer and trial runs are delayed due to covid-19.

In today's parlance Auto component industry has growth potential as the population is increasing, demand of vehicle in all segment is increasing so the future of the Company seems bright.

THREATS:

While the Economy reeled under the grip of Covid-19 in the past two years and there has been substantial reduction in the number of active cases today, there are still uncertainties around robust economic recovery due various other influencing factors. The Ukraine crisis, Semiconductor shortages and the supply chain disruption continue to weigh on the Economy in general and the Automotive sector in particular. The Indian automotive industry has been witnessing roller coaster ride for nearly two years now and growth challenges still remain.

(C) Internal Control Systems:

The Company has an Internal Control System, commensurate with the size, scale and complexity of its operations.

(D) Outlook:

India, which is the fourth largest automotive market in the world, is set to see a sequential growth in 2022 on strong underlying demand reflecting the general economic recovery and consumers' preference for personal vehicles over public transportation. On other hand, the sector is facing challenges of increase in fuel price, chip shortages, weak rural demand. Hence, we expect the overall growth to be muted in this financial year.

Deeply impacted by COVID 19, the Indian automotive industry has emerged stronger and shown remarkable resilience. Widespread digitization and technology adoption from source to delivery has played a crucial role in transforming the automotive industry.

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial statements, management is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The accompanying standalone financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS specified under section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the

preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, specified under section 143(10) of the Act we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Sibar Auto Parts Limited ("the Company") as of 31 March 2022 in conjunction with our audit of Ind AS Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
